Ron Esterday (*President of the Magic Lantern Society of the United States and Canada*) is searching for a copy of *Popular Photography*, August, 1978, specifically a "column" by Eaton Lothrop about the idea from Joe Koch about forming our group, the Magic Lantern Society of the United States and Canada. He is asking if any of our members may have a copy to pass on to him or would scan the article and send it to him (Ron Esterday, rlasterday@comcast.net). It would be greatly appreciated, he is researching the history of the Magic Lantern Society of the United States and Canada, now almost 40 years old.

Can you guess who these camera collectors are?

Where was the picture taken?

About what year?

Come to our meeting in September and bring the names.

Thanks Gary for the photo!
